

JOSÉ ANTONIO VARGAS GARCÍA

Data Analyst & Business Intelligence · Full-Stack Developer · Administrative / Operations Management

Barberà del Vallès, Barcelona · Spain | +34 661 87 17 59 | tonacovargas@gmail.com

Portfolio: tonyvargasdev.com · GitHub: [TonyVargas777](https://github.com/TonyVargas777) · LinkedIn: [tony-vargas-garcia](https://www.linkedin.com/in/tony-vargas-garcia)

PROFESSIONAL PROFILE

Professional with over 25 years of experience in operational, technical and high-responsibility environments. Solid training in **Big Data & Business Intelligence** (Master's degree 9.85/10), **Data Science** and **Web Application Development** (Professional Certificate Level 3). Practical experience in Python, SQL, Power BI, React, Node.js and administrative/operational management. I combine analytical skills, full-stack development and excellence in coordination, incident management and customer service. Seeking opportunities as Junior Data Analyst / BI, Full-Stack Developer or Operations Administrator.

TECHNICAL SKILLS

Data Science & BI

Python · SQL · Pandas · NumPy
Scikit-learn · Jupyter · EDA
Power BI · Dashboards · KPI
Machine Learning · Visualization
Statistics · Data modeling

Full-Stack Development

JavaScript · React · Node.js
Express · MongoDB · HTML/CSS
APIs · Git · Responsive design
Component-based development
Hadoop · Data ingestion

Administrative & Operations

Microsoft Excel · Word · Access
PowerPoint · Outlook · Teams
Incident management · Reporting
Request tracking · Office
Team coordination · Deadlines

Strengths: Organization · Attention to detail · Confidentiality · Problem-solving · Clear communication · Responsibility · Working under pressure · Self-directed learning

PROFESSIONAL EXPERIENCE

Mossos d'Esquadra — Generalitat de Catalunya, Department of Interior
